Now Showing on the Big Screen! Your Business!

Buffalo Theater LLC, is excited to offer your business Digital Advertising. The audience coming to the theater is between 8 and 80 with the majority in their 30's and 40's. This is a captive consumer audience. What better way to reach this group for your advertising?

We are offering a basic program that covers a picture/graphic and text for \$50.00 to \$60.00 a month. This price covers the advertising set-up and will play in a rotation before the main feature film on both screens. For more advanced advertising work there is an additional set-up fee of \$40.00.

We will bill the first of every quarter and contact you to see if you have any changes needed for your ad. The digital slide show will run for 30 minutes before the feature film along with local interest slides.

With our digital presentation you will have the option of updating your advertising each quarter.

Changes: Basic changes: \$40.00 · Detailed changes: \$80.00

The advertising quarters are: January, February and March
 April, May and June
 July, August and September
 October, November and December

This schedule works well with seasonal promotions and holidays.

Ad payment is due 10 days before the end of the first month in each quarter. Any account 30 days past due will be terminated.
